“What’s the Catch?”

The third addition to the Catch Seafood family is based in a former coaching inn in the beautiful Higham Dykes countryside. Catch Seafood Ponteland opened in June 2017, following an extensive refurbishment programme which included the creation of a stylish new restaurant, a well-stocked bar area and open wine cellar, and 5 luxurious en-suite bedrooms for guests wishing to extend their visit with an overnight stay or short break.

The restaurant interior and kitchen might be new, but the menu remains faithful to Catch’s distinctive roots and passion for fresh fish, serving up contemporary seafood dishes with a creative twist alongside their much-loved fish and chips. Created by an inspired and passionate team of chefs, the A La Carte, Daily Catch and daily specials menus offer an unforgettable seafood dining experience which has been welcomed by our customers in the North East.
