**BEEFEATER** 25ml  
3.35  
Juniper forward with strong lemon orange citrus, there is a touch of heat from the coriander and something gently floral. Smooth with a peppery orange finish.

**BOMBAY SAPPHIRE** 3.60  
From the days of the British Raj in India and remains as popular today. Classic London Dry style gin with big hits of juniper and liquorice.

**HENDRICKS DRY GIN** 3.60  
This Scottish gin draws its bottling style from the medicine cabinet. Cucumber is used in the distillation and it is clean and balanced.

**WARNER EDWARDS RHUBARB GIN** 3.90  
Made with Rhubarb from the Queen Victor's Crown Garden, this gin retains the fresh bitterness of Rhubarb with a sweetness to balance.

**4 PILLARS SHIRAZ GIN** 4.25  
An incredibly rich, deep purple colour, which turns iridescent pink when mixed with tonic or soda. Aromatically it has fresh pine needles, citrus and spice, and a clear peppery, dense raspberry character. The palate is lovely and sweet, with a long juniper and spice character on the finish.

**SIPSMITHS LONDON DRY** 4.10  
A real bench mark in the London Dry style, small batch produced with great balance and restraint. You will want another.

**MARTIN MILLERS** 4.50  
Distilled in London and then shipped to Iceland to be cut with the purest water, this gin oozes class and launched premium gin in the UK.

**TANQUERAY 10** 4.25  
Aromas of citrus, spices and herbs. Simultaneous explosions of citrus and juniper, which appear after the silky notes of chamomile. Mouth is very complex, mainly due to its high alcohol content, which sets the flavours and aromas. The finish is long and shows notes of lemon and lime.

**HERNO OLD TOM GIN** 5.50  
This Swedish Old Tom Gin is sweeter and more botanically intense style of gin. In addition to the usual line up of botanicals this boasts Vanilla Meadowsweet & Nordic Lingon Berries.

**THE BOTANIST** 4.50  
A huge 31 botanicals go into this Isle of Islay gin, 22 of which are foraged from the island itself. To name a few, birch leaves, bog myrtle leaves and lardy's bedstraw flowers.
