WHAT'S THE CATCH?

Catch Seafood is a modern day fish and seafood restaurant built on family values.

The **Catch** story began in August 2015 when we opened our first restaurant near Halifax, **Catch Seafood West Vale.**

Catch Seafood Holmfirth was our second restaurant opening one year later, August 2016.

Our third Catch opened in June 2017 in the North East of England, **Catch Seafood Ponteland.**

All three restaurants offer the same seafood experience with our unique twist, but independently host weekly and monthly events, special menus and wine pairings.

Please speak to a member of our team to find what's happening at your local **Catch Seafood.**
